

1190 WELCH RD

NEW Parking Program at 1190 Welch

Monthly Parking Permits at 1190 Welch Lot

Flexible parking for 1190 Welch employees—first-come, first-served with app-based reservations

What's New?

- Starting May 4, 2026, the 1190 Welch Road parking lot will move to a Monthly Parking Permit Reservation Program.
- Parking will be available on a first-come, first-served basis.
- Reservations must be made through the Stanford Medicine Parking App and will be available at no charge.
- Staff that are not eligible to park at 1190 Welch will park at the Stanford Shopping Mall. Managers will be responsible for requesting Stanford Mall parking permits on behalf of their team and distributing once received.

Who's Eligible

- Eligible Stanford Health Care and Lucile Packard Children's Hospital staff currently working at 1190 Welch.
- Eligible staff must register in the Stanford Medicine Parking App and provide vehicle information.
- Accounts will be verified by the Hospital Transportation Operations Center (HTOC).

How it Works

1. Download the Stanford Medicine Parking app.
2. Set up your account in the app. Account approval will be received via email in 3 business days.
3. Once approved, reserve a monthly parking permit at 1190 Welch for the following day between 4:00 - 11:59 PM the evening prior. Same-day reservations are available if there are open spaces.
