NEW STANFORD MEDICINE PARKING APP FOR 500P - PASTEUR STAFF GARAGE

New & Improved Experience for the 500P - Pasteur Staff Garage Launches Monday, November 15th, 2021!

The new Stanford Medicine Parking app allows staff to purchase their daily parking permit (\$8) for the 500P - Pasteur Staff Garage on their phone, then scan their app at the entry and exit to open the gates!

You may also notice a new parking availability monitor at the 500P - Pasteur Staff Garage entrance! This new monitor shows which levels are full and which still have capacity, saving you time searching for a space!

The gate arms can be opened with the new app at 500P - Pasteur Staff Garage

Download the app!

iPhone:

Android:

The parking availability monitor at the entrance shows you which levels have space - in real time!

Frequently Asked Questions (FAQ):

One Point Lesson (OPL):

New Stanford Medicine Parking App

A new payment app is here! With the new app, your purchase of a daily parking permit comes with a QR Code. Scan the QR code when you arrive at the garage to open the gate. When you're ready to leave, just scan it on your way out again. It's that easy!

**Parking as easy as
1, 2, 3!**

Step 1:

Pay for Parking in the App

Step 2:

Scan your QR code at the entrance

Step 3:

Scan your QR code at the exit
