

FIFA World Cup traffic and shuttle advisory

Stanford Medicine Transportation Services advises that Fédération Internationale de Football Association (FIFA) World Cup matches at Levi's Stadium are expected to bring increased traffic in Santa Clara, which may impact commute times especially during weekday evening trips in June and early July.

FIFA World Cup traffic and shuttle advisory

Stanford Medicine Transportation Services advises that Fédération Internationale de Football Association (FIFA) World Cup matches at Levi's Stadium are expected to bring increased traffic in Santa Clara, which may impact commute times especially during weekday evening trips in June and early July.

All Santa Clara Park & Ride shuttle commuters should plan **extra travel time to the Santa Clara Park & Ride lot** on 2945 Tasman Drive (see the map above for road closures near the Park & Ride lot).

The FIFA World Cup match schedule at Levi's Stadium is as follows:

- Saturday, June 13 at 12:00 PM
- Tuesday, June 16 at 9:00 PM
- Friday, June 19 at 8:00 PM
- Monday, June 22 at 8:00 PM
- Thursday, June 25 at 7:00 PM
- Wednesday, July 1 (time TBD)

For the latest traffic information, alerts, and maps, visit the [City of Santa Clara FIFA World Cup](#) website.

If you're commuting to or through the Santa Clara area via Caltrain, VTA, or BART, please be advised that you may experience heavier-than-usual crowds on your commute during the above match days.
