Stanford Medicine Transportation Services is excited to feature **Thomas Roussin**, Director - Security Services at SHC, who chooses to commute sustainably to the Stanford Medicine Palo Alto Campus!

Thomas rides the [Campbell Park & Ride shuttle](#), which allows him to enjoy free parking and a comfortable ride to and from the Stanford Medicine Palo Alto campus during peak commuting hours.

Thomas enjoys the perks of taking the Park & Ride shuttle, such as having more time to get work done, saving money, and reducing stress.

"The Campbell bus is very convenient when my schedule allows. It is relatively close to my house and allows me to get work done while I'm going to and from work. I am less stressed on days that I don't have to drive. I am also able to spend much less money on gas."

Thomas Roussin, Director - Security Services SHC

When asked if he would recommend people to take alternative transportation, Thomas said "there are many reasons to use alternative transportation including environmental, saving money, stress on yourself and your vehicle. The more we use the services provided the more the organization can justify adding additional routes and times."

Looking for a new way to get to work? Commute like Thomas by using an alternative transportation option offered at Stanford Medicine!
