

# Need a Jump?

## How to request a vehicle jump start when parked at Stanford Medicine

If you are parked at a Stanford medicine location and find that your vehicle needs a jumpstart

1. Call the Facilities Services Response Center at **650-498-4400**

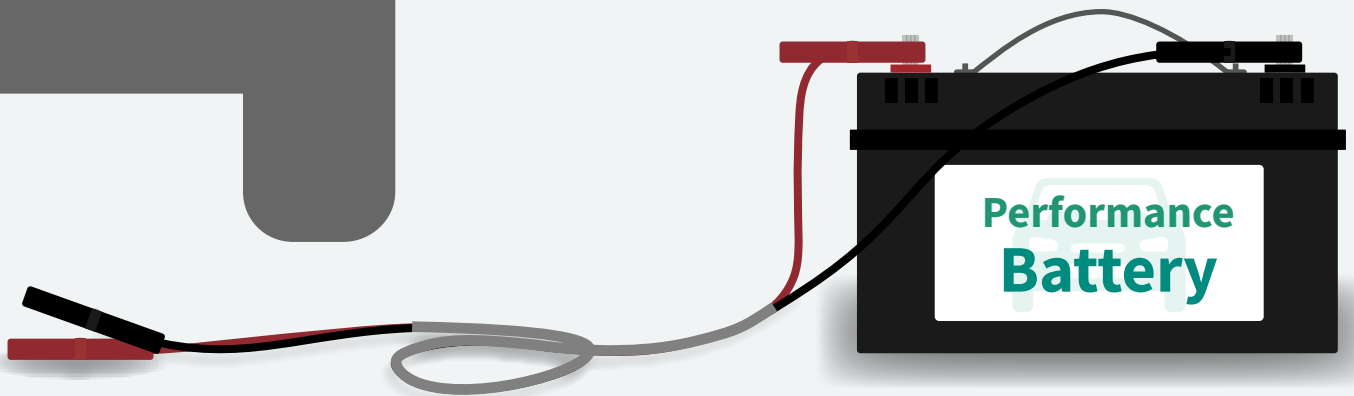

Then provide the following information

- Location of your vehicle
- Vehicle Make
- Vehicle Model
- Vehicle Color

2. A dispatcher will contact a member of the transportation services team to respond

3. Please expect a response time of up to 15-30 minutes

4. You will be asked to complete a consent form and waiver before service is provided
