## "Spring" into a Healthy Commute

A change in season means a change in lifestyle.

Take the commuter bus and enjoy a comfortable ride to the main hospital campus

***Spring is here!*** With the warmer weather, it is the perfect time to switch up your commute. Skip the stress and try a new commute mode this spring!

### **Commuter Buses**

Enjoy free parking and a ride on a commuter bus! Instead of stressing about being behind the wheel, you can read, meditate, or even nap on a commuter bus! Enjoy a free ride from [Campbell](#), [Santa Clara](#), [Menlo Park](#), or the East Bay on the [AE-F](#), [EB](#), or [Dumbarton Express](#).

### [Caltrain Go Pass](#)

Set aside time for yourself on Caltrain! Use the train as "you-time" to catch up on work, listen to music, or watch your favorite TV show!

### [Bike Program](#)

Get your daily exercise in by biking to work! Stanford Main Campus offers a

variety of bicycle amenities for staff to utilize like bicycle parking facilities, tire filling stations, and [convenient shower & locker rooms](#) for a quick refresh before starting your shift.

To learn more about these alternative transportation options and more, visit the Stanford Medicine Transportation Services website by clicking the button below.

## New Electric Vehicle (EV) Charging Stations at the Pasteur Visitor Garage (PVG)

Stanford Medicine takes a step towards sustainability with the installation of 16 new EV charging stations at the Pasteur Visitor Garage.

Stanford Medicine now offers convenient electric vehicle (EV) charging stations for patients and visitors!

Stanford Medicine Transportation Services, in conjunction with the Sustainability Program Office, is excited to announce the availability of 16 new electric vehicle (EV) charging stations for patients and visitors at the Pasteur Visitor Garage (PVG)!

This milestone marks the second of three currently planned EV charging station

installations for Transportation Services - the first project being at the Hoover Pavilion Garage.

The goal for these projects is to contribute to Stanford Medicine's mission to promote sustainability and to meet the growing demand of EV vehicles. Transportation Services is currently working on adding EV charging stations at the Pasteur Staff Garage. Stay tuned!

Looking for EV charging for staff? Click the button below to see staff EV charging stations near the hospital campus.

### **Tired of Paying for Parking at the Main Campus? Try a Park & Ride Lot and Shuttle!**

The SRI Park & Ride Lot (Menlo Park), the Santa Clara Park & Ride Lot (near Levi Stadium), and the Campbell Park & Ride lot (formerly the old Fry's Electronics lot) provide FREE parking and transportation for staff at the main hospital campus. Enjoy easy, free parking and a direct shuttle ride that connects directly to Lucile Packard Children's Hospital and 500 Pasteur!

For more information, view the flyers here:
