Commuter Spotlight: Jeanny Morejon

Introducing Jeanny Morejon, Nursing Coordinator at Stanford Health Care (SHC), who commutes to work using the Santa Clara Park & Ride shuttle!

Commuter Spotlight features staff who choose alternative transportation options as part of their commute to and from the Stanford Medicine Palo Alto campus.

Fill out the form [here](#) to be featured in an upcoming newsletter!

Stanford Medicine Transportation Services is excited to feature **Jeanny Morejon** - Nursing Coordinator at SHC, who chooses to commute sustainably to the Stanford Medicine Palo Alto campus!

Jeanny rides the [Santa Clara Park & Ride shuttle](#), which allows her to enjoy free parking and a comfortable ride to and from the Stanford Medicine Palo Alto campus during peak commuting hours.

Jeanny enjoys the many benefits of her commute, such as how convenient and comfortable the Santa Clara Park & Ride is. The highlight of Jeanny's commute is how much extra time she gets to catch up on work or watch the latest episode of her favorite show.

"After commuting to work for over 15 years, I don't think I will ever go back to driving myself to work again. The last 2 years riding the shuttle and being able to sit back and unwind from my busy day has been nothing short of amazing. Not stressing or worrying about the traffic, rain or crazy drivers has been a true gift. Not to mention how much I am saving on gas and parking. Thank you, Stanford, for this program. It truly makes a huge difference in my day-to-day commute."

Jeanny Morejon, Nursing Coordinator - SHC

When asked about a particularly memorable moment in her commute, Jeanny recalled “I have sent my family many photos while riding in the 'rock star tour bus' to work. My kids think it's very cool to get to ride on the big bus.”

Electric Vehicle (EV) Charging Options for Staff

Staff working at the Stanford Medicine Palo Alto Campus can enjoy convenient Electric Vehicle (EV) Charging from various locations.

The Pasteur Staff Garage features 12 EV charging ports at the lower level 2 (L2) of the garage.

Need a boost?

Staff electric vehicle (EV) charging is available at various locations near the Stanford Medicine Palo Alto campus. Here are 4 EV charging locations staff can charge at:

1) Pasteur Staff Garage (PSG)

- Located on the intersection of Welch Road and North Pasteur Drive, the Pasteur Staff Garage has 12 EV charging stations on the lower level 2 (L2).
- A valid PSG daily parking permit is required to use the chargers in the garage.
- This garage may be an ideal option for staff who work at 500 Pasteur, 300 Pasteur, and Welch Road Properties*.

**Staff with Welch Road parking permits can also use the EV chargers located at 750 Welch Road.*

2) Hoover Pavilion Garage

- Located on the intersection of Quarry Road and Sweet Olive Way, the street level of the Hoover Pavilion Garage has 9 EV charging ports.
- A valid 'Z' parking permit is required for staff parking in addition to charging fees when parking from 6 AM - 4 PM, Monday - Friday.
- This garage may be an ideal option for staff who work at Hoover Pavilion and Stanford Neuroscience Health Center. The extended charge time and no idle fees is also ideal for staff who are unable to move their car during the day.

3) Center for Academic Medicine (CAM) Garage

- Located near the intersection of Welch Road and Quarry Road, this Stanford University charging option provides 8 EV charging ports on level 2.
- Charging spaces at this location are available to the public, no parking permit necessary.
- This garage may be an ideal option for staff who work at Lucile Packard Children's Hospital.

4) Stock Farm Garage

- Located near the intersection of Oak Road and Welch Road, this Stanford University charging option provides 16 EV charging ports on level 2.
- Charging spaces at this location are available to the public, no parking permit necessary.
- This garage may be an ideal option for staff who work at 500 Pasteur or 300 Pasteur.

For more details about EV charging near the Stanford Medicine main campus, including pricing and charging type, please click the link below.

July 2024 Promotion: Park & Ride for 10 Days and Win a Prize!

Stanford Health Care and Lucile Packard Children's Hospital staff can win a prize by riding the Santa Clara or Campbell Park & Ride shuttle for 10 days in the month of July 2024.

Verify and receive your sustainable prize at the
Transportation Pop-Up located on North Pasteur Drive!

Stanford Medicine Transportation Services is excited to announce a limited promotion for staff who take the Campbell or Santa Clara Park & Ride!

Promotion

Stanford Health Care and Lucile Packard Children's Hospital staff can earn a prize by riding the Santa Clara or Campbell Park & Ride shuttle for 10 days in the month of July 2024.

How it Works

1. During your commute, scan your Stanford Medicine identification badge when boarding the Santa Clara or Campbell Park & Ride shuttle.
2. Once you have taken the Santa Clara or Campbell Park & Ride shuttle for at least 10 days, visit the Transportation Pop-Up (on North Pasteur Drive) to verify and receive your prize!

Prize

Staff can choose between the sustainable commuter 20-ounce tumbler or 25-ounce stainless steel water bottle. Both items feature stainless steel and double wall construction, keeping your drinks at their ideal temperature!

Quantities are limited and first come, first serve!

The Santa Clara and Campbell Park & Ride programs offer free parking, free wi-fi on shuttles, and a complimentary car wash if you park at the designated Park & Ride lot at least 16 times in a month!

Both lots offer direct shuttles to Lucile Packard Children's Hospital and 500 Pasteur during peak commuting hours.

For more information, view the flyers here:
