# Share Your Experience Biking at the Stanford Medicine Palo Alto Hospital Campus

Take a quick survey from the League of American Bicyclists to share your biking experience at the Stanford Medicine Palo Alto hospital campus.

Each year, the League of American Bicyclists recognizes businesses that encourage a bike-friendly atmosphere for their employees and customers through the Bike Friendly Business (BFB) award. Being designated as a Bicycle Friendly Business is a great way to gain national recognition for being a leader in wellness, sustainability, and corporate responsibility.

Stanford Medicine is excited to apply for this award on behalf of the Palo Alto hospital campus!

As part of the selection process, the League of American Bicyclists surveys the bicycling community to see how bike-friendly the Stanford Medicine Palo Alto hospital campus is. Stanford Medicine would like to invite staff who bicycle to work at the Palo Alto hospital campus to fill out the survey. **Please note that the deadline to take the survey is Friday, July 21.**

Your feedback can help Stanford Medicine to be recognized as a League of American Bicyclists Bicycle Friendly Business (BFB).
