Reminder: Shuttle Courtesy

A friendly reminder to always be courteous to your fellow passengers when riding on the free commuter buses.

Stanford Medicine's Santa Clara and Campbell Park & Ride lot and shuttle programs are convenient options for South Bay commuters heading to the Stanford Medicine Palo Alto campus.

Stanford Medicine Transportation Services strives to make the free commuter bus services a pleasant experience for all riders.

In support of this goal, please keep in mind:

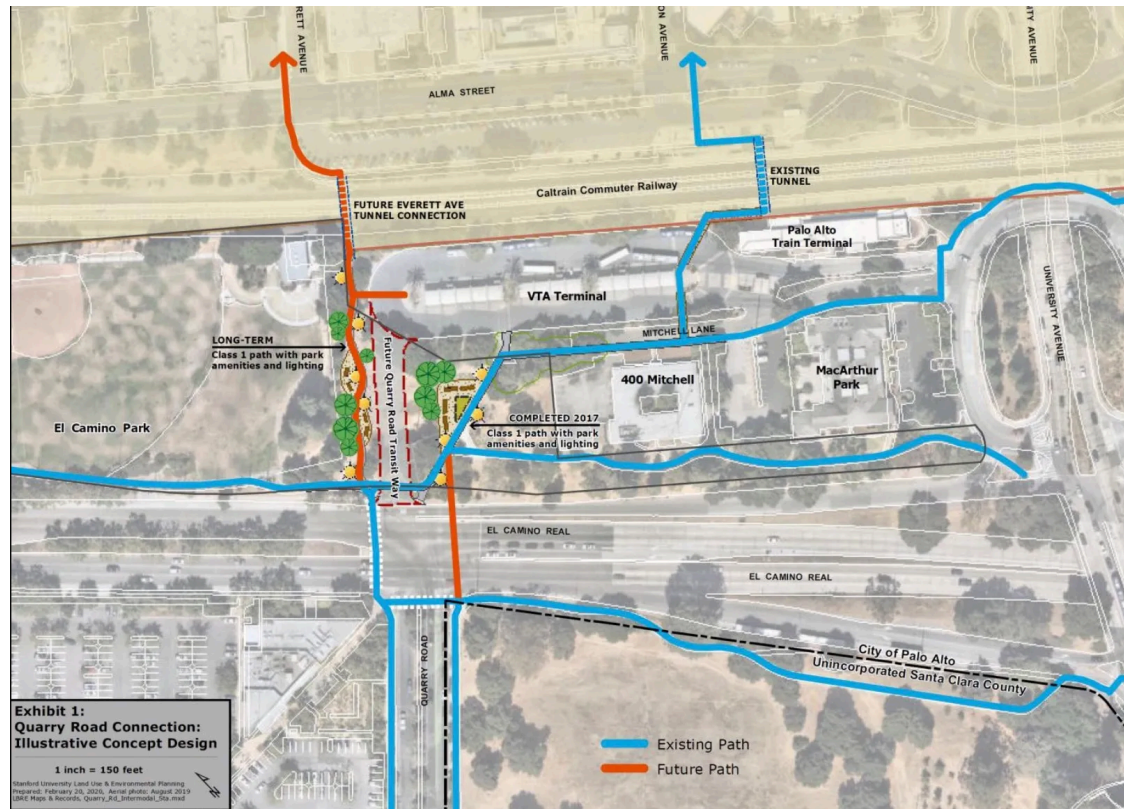

1. Your fellow passengers are your colleagues. Treat all on board with respect and compassion in accordance with Stanford Health Care C-I-CARE and Stanford Medicine Children's Health PCARES
2. To ensure adequate seating for all passengers, use only one seat per person, and place personal items on the floor, in your lap, or in a storage area, if available
3. To keep buses clean and comfortable, do not put your feet up on the seats
4. If there is a large group when preparing to board the bus, form a line to enter the vehicle

5. For efficient deboarding at your destination, allow anyone sitting in front of you off of the bus first
6. Help your fellow passengers enjoy a peaceful ride by using headphones for any audio
7. When speaking on the phone, keep voice to a reasonable speaking level

Stanford Medicine Transportation Services appreciates your commitment to a sustainable commute, and your support in making commuter buses a pleasant ride for all.
