Exciting news!

The 'A' parking permit is now available for all Stanford Health Care (SHC) and Lucile Packard Children's Hospital (LPCH) employees, regardless of hire date.

With an 'A' parking permit, you have the ability to park at prime parking locations near the Stanford Medicine Palo Alto hospital campus, which include:

- **Center for Academic Medicine (CAM) Garage**
 - **Address:** 453 Quarry Road, Palo Alto, CA 94304
 - The CAM garage is mostly 'A' permit parking only.
 - Level 2 of the CAM garage has been updated to include more 'A' parking permit stalls.

- **Roth Way Garage**
 - **Address:** 355 Roth Way, Stanford, CA 94304
 - The Roth Way Garage averages 200+ open 'A' parking permit stalls per day!
 - The parking facility is minutes away from 300 Pasteur and the Lucile Packard Children's Hospital.

'A' parking permit rates:

- Monthly parking permit rate: \$133
- Daily parking permit rate: \$19

If you wish to change to a monthly 'A' parking permit, it is highly recommended that you make this change during the transition between months, such as on September 30 or October 1. This will ensure you will not have to pay twice for the same month.

If you ever want to switch back to your original permit at a later date, you always can, but it is recommended to do so during the transition between months as mentioned above.

Sustainable transportation options such as commuter buses, Caltrain, vanpool, and biking are all available. You can learn more about these programs and eligibility on the [Transportation Services website](#).
