A PARTNERSHIP FOR CHANGE

Come celebrate Earth Day with Stanford Medicine!

Celebrate Earth Day with the Sustainability Program Office on
Friday, April 22nd from **10:30am to 2pm!**

Bringing together sustainability partners from within and outside of Stanford Health Care & Lucile Packard Children's Hospital, more than 11 vendors will be

hosting games, giveaways, sustainable food and products, showcasing sustainability initiatives and projects, and a series of live cooking demos from Zero Waste Chef Anne-Marie Bonneau throughout the day!

Learn more about incorporating sustainability in your everyday practice and celebrate Stanford Medicine's commitment to sustainability.

Learn about sustainable commuting options available to Stanford Health Care and Lucile Packard Children's Hospital staff at the Transportation Services table.

Thinking about trying a more sustainable commute? Earth Day is a great day to try riding Caltrain, biking to work or any other sustainable commute mode! Learn more about your sustainable commuting options by clicking the link below.

Transportation Lounge Open for Staff Access

The 500 Pasteur Transportation Lounge entrance is now open for staff access

Riding a staff shuttle at the end of the day? The Transportation lounge is a comfortable spot to rest while you wait for your ride.

Summer is coming up and the temperature is climbing. Take advantage of the now re-opened Transportation Lounge door to avoid beat the heat while you wait for your shuttle. The Transportation Lounge provides a staff-only entry and exit to 500 Pasteur, right next to the shuttle stop, so you don't have to go out of your way.

The Transportation Lounge is full of helpful resources for staff, so the next time you have a question about a transportation program such as a FREE staff shuttle or a FREE Caltrain GoPass, just look around the lounge for the answer!

Looking to try a staff shuttle for the first time? Check out one of the following lines that stops right outside the 500P Transportation Lounge:

- [NEW Santa Clara Shuttle](#) (with FREE parking in Santa Clara)
- [SRI Park & Ride Shuttle](#) (with FREE parking in Menlo Park)
- [Hospital Direct \(HD\) Line](#)
- [Medical Center \(MC\) Line](#)

Sustainable Commuting for Earth Day & Beyond

Looking for a way to bring sustainability into your everyday life? Try switching up your commute!

Biking to work is just one great way to lower your carbon footprint

Did you know that staff commuting alone in a single occupancy vehicle is one of the highest contributors to Stanford Health Care's greenhouse gas emissions? Consider switching up your commute for a more sustainable one. Bonus - you can also save money on gas & parking costs!

Gear up for bike month by biking to work!

Need a refresher on safe biking tips & tricks? Check out one of these upcoming bike classes:
