Burn Calories While You Commute

Arrive at work refreshed and ready to start the day

Burn off those heavy holidays meals and warm yourself up on your commute by biking to work!

Even as the weather is getting colder, biking to work is a great way to skip traffic, save money, and even burn calories, all while being environmentally conscious.

With shorter days, it's important to ensure that you and your bicycle are visible if you ride in the dark. Did you know that California Vehicle Code requires that bicyclists riding at night have a white headlight visible from the front be attached to the bicycle or to the bicyclist? A bicycle must also have a red reflector visible from the back. For other important California bicycle laws, view the resources at the [California Bicycle Coalition website](#).

Health and Safety on Staff Shuttles

Now more than ever, Hospital Transportation Services is dedicated to keeping you safe and healthy on staff shuttles.

Please note the following policies that are in place on all shuttles to ensure that passengers are safe while they ride:

- **Masks Required** - To comply with state requirements and guidance, passengers on all shuttle routes are required to wear face coverings while on board. In addition, no eating or drinking is allowed on shuttles, so that all riders keep their masks on at all times
- **Clean Hands are Safe Hands** - Hand sanitizer dispensers are installed on all shuttles to promote good hygiene
- **Routine Cleaning** - All shuttle vehicles are routinely sanitized
- **Compliance** - Signs are posted on all vehicles to remind riders of these policies. Stanford Medicine Transportation Services follows the Santa Clara County directive for public transit on all shuttles. For more information, read the directive [here](#).

For more information about staff shuttles, click the link below to view the Hospital Transportation Services website.

REMINDER: Pasteur Staff Garage Enforcement Hours

Garage is actively enforced Monday - Friday, 6am - 4pm

The 500P - Pasteur Staff Garage (PSG) at 1189 Welch Road is enforced Monday-Friday, 6am-4pm. A parking attendant will be stationed at the garage entrance starting at 4am.

Any vehicles parked overnight should plan to exit the garage before 6am the following day.

Stanford Health Care staff who work night shift should park in the Pasteur Visitor Garage and use badge access after 4pm. Night shift staff who do not already have badge access may apply online [here](#).

For more information about how to park at the 500P - Pasteur Staff Garage (PSG), please click the link below.
