## **NEW PERK: New Yoshi Fuel Program at SRI Park & Ride Lot**

Fuel & Wash at SRI Park & Ride!

The new Yoshi fuel delivery program makes the SRI Park & Ride even more convenient!

Stanford Medicine Transportation Services is partnering with Yoshi, a contactless gas and automotive service company, to make parking at the SRI Park & Ride Lot even more convenient.

Staff with a valid (free) SRI Park & Ride hangtag permit can sign up for Yoshi fuel delivery with no membership fee. Use the app to purchase fuel, and a delivery vehicle will fill up your tank while you're at work!

- Fuel will be comparably priced with local gas stations
- No delivery fee\*
- Just schedule, leave your fuel hatch open, and come back to a full tank!

*\*Up to 6 deliveries per month. A delivery fee will apply to the 7th, 8th, etc delivery within 1 month.*

### **Earn a FREE detail car wash!**

Staff who park at the SRI Park & Ride lot at least 12 times in 1 month can earn a free car wash (\$89 value!\*\*).

Badge readers will be available in the SRI shuttle to allow parkers to scan in. Parkers must scan their badge to work towards earning the car wash.

*\*\*the value of the car wash will be taxable as imputed income. Please reach out with any questions regarding the tax impact.*

# Best Workplaces for Commuters

Stanford Medicine Recognized on the Best Workplaces for Commuters List for the second year in a row!

Best Workplaces for Commuters recognizes workplaces that provide exceptional commuter benefits to employees

Stanford Medicine is among a select group of workplaces in the United States that have achieved the Best Workplaces for Commuters National Standard of Excellence by providing an exceptional commuter benefits program to employees.

Stanford Medicine [Transportation Services](#) is currently working on even more commuter benefits such as fuel delivery and car wash at the park & ride lot in Menlo Park, a new park & ride lot in Santa Clara, and increased bike parking options to further reduce the number of Single Occupancy Vehicle (SOV) trips to the main campus.

Stanford Medicine is committed to providing a variety of alternative transportation options to help staff save money, reduce traffic, and alleviate parking demand. For more information about the alternative transportation programs offered to staff, please view the Stanford Medicine Transportation Services [website](#).

**About Best Workplaces for Commuters** (<http://www.bestworkplaces.org/>)  
*Best Workplaces for Commuters is the national authority on recognizing and assisting workplaces that provide exceptional commuter benefits to employees. More than a recognition program, the Best Workplaces for Commuters program provides support needed to create and sustain an employer-provided commuter benefit program, including online assessment tools, advisory services, case studies, tool-kits, web-based tools, webinars and training. Best Workplaces for Commuters represents over 450 workplaces with Best Workplaces for Commuters designation representing over 2,000,000 employees. The Best Workplaces for Commuters program is managed by the [Center for Urban Transportation Research \(CUTR\)](#) at the University of South Florida with support from the Florida Department of Transportation (FDOT).*
