## No Staff Parking at Stanford Shopping Center

Staff may **not** park in the Container Store, Crate & Barrel, and Nordstrom Parking Lot.

Parking at the Stanford Shopping Center is **strictly enforced** to ensure adequate parking for shopping center customers.

This specifically includes, but is not limited to, the following Stanford Shopping Center stores:

- Container Store
- Crate & Barrel
- Nordstrom

Stanford Medicine staff parking at these locations will be subject to parking citation.

Stanford Medicine Staff should only park in designated staff parking areas.

Staff who are interested in free parking options should consider utilizing the [SRI Park & Ride lot](#), which is served by a 15 minute courtesy shuttle that connects directly to 500 Pasteur and Lucile Packard Children's Hospital main.
