Park Your Bike With Confidence at 500 Pasteur

Use your badge for access to the 500P - Pasteur Staff Garage covered bike room

The 500P - Pasteur Staff Garage bike room is a convenient option for staff bike parking, and is only accessible via authorized badge access, so you can be extra confident when you park for the day.

The bike room, located outside of the garage, near Welch Road, is partially covered, so you can rest easy when you bike on rainy days.

This bike room features both vertical racks and standard ground racks for your convenience. Please remember to lock your bike securely to a rack, and ensure that the door to the bike room closes after you leave.

The 500P - Pasteur Staff Garage bike room is far from the only place for you to park your bike on campus, though! To find the bike racks closest to your worksite, click the link below to view a map of bicycle amenities on the main hospital campus.
