3. Memorial Day Staff Shuttle Schedules
4. Summer Transportation Focus Groups

New Santa Clara Shuttle Schedule

New expanded schedule begins Monday, May 30th!

The new shuttle schedule for Santa Clara is designed to serve even more staff - making this convenient service event better!

The Santa Clara Shuttle, which connects the Santa Clara Park & Ride Lot at 2945 Tasman Drive (Near Levi Stadium) with Lucile Packard Children's Hospital and 500 Pasteur, will now serve more hours!

Effective Monday, May 30th, the Santa Clara Shuttle schedule will be adjusted based on ridership data and feedback received from staff. The new schedule will include:

- Earlier morning runs, for staff who start work at 5:00am
- Later morning runs, for working parents who want to ride the bus after school drop off
- Later evening runs, for staff who work 12-hour day shifts and clock out after 5:30pm

For full details about the new schedule, please click the link below.

Summer Transportation Focus Groups

Participants can earn a \$50 gift card, and enjoy a free meal & swag!

SHC is interested in learning more about how you commute to campus and how the transportation options could evolve to better support you in your commute as SHC works to be more sustainable and reduce the hospital's carbon footprint.

Are you a full time Stanford Health Care (SHC) or Lucile Packard Children's Health (LPCH) employee working on the main campus? Maybe you swear the best way to get to campus is in your own car? Maybe you wish you could take the train to work but you're not sure if you can rely on getting to work on time? Or, maybe you have other thoughts and opinions about the staff commute to and from campus? Then sign up to participate in the upcoming Summer Transportation Focus Groups!

Focus groups will run through June and the first half of July and take 35-45 minutes. If you sign up below, the Sustainability Program Office (SPO) will follow up about participating in a focus group.

Participants will receive a \$50 gift card, a meal from SHC's Award Winning Food Program, and sustainability swag from the Sustainability Program Office!
