COMING SOON: New Staff Bike Parking Option at Hoover Pavilion

The Hoover Pavilion bicycle cage will provide enclosed bike parking for staff

The Hoover Pavilion bicycle cage installation is in progress

Exciting news for bike commuters!

A new bicycle cage is being installed outside of Hoover Pavilion, located at 211 Quarry Road, and Neuroscience Health Center, located at 213 Quarry Road! The installation will be completed during Fall of 2022. More information about the bike cage opening will be announced in October.

This new bicycle parking facility will provide parking for over 40 bicycles and will be accessible using a Stanford Health Care or Lucile Packard Children's Hospital staff ID badge. The bike cage is conveniently located near the shower & locker room at Hoover Pavilion so you can freshen after your ride. For more details about shower & locker room facilities at the main hospital campus, click [here](#).

Rethink Your Commute

Tired of traffic? Adjusting to a back to school schedule? Now is the time to rethink your commute!

Biking to Caltrain is just one of many commuting options available to Stanford Medicine staff

As traffic gets worst, your driving time for work will get longer. By using a different method of commute you can save yourself time and stress from being on the road.

Take this opportunity to revisit your commute! Avoid sitting in traffic by:

Taking a shuttle from Santa Clara!

- [Santa Clara Parking & Ride](#)

Taking a shuttle or bus from the East Bay!

- [Marguerite Line AE-F](#)
- [East Bay Express](#)
- [Dumbarton Express](#)

Taking advantage of Transit!

- [Caltrain](#)

- [VTA](#)
- [AC Transit](#)
- [BART](#)
 - Paying for transit? Try [Pre-Tax Transit benefits](#) to help save on your commuting costs

The options are endless!

Exterior Management Department Goes Electric

Stanford Health Care takes another step toward sustainability

The Exterior Management Team is going green!

Did you know?

In the fiscal year 2022, Stanford Health Care Exterior Management shifted away from gasoline to electric-powered landscaping equipment. This gas to electric

conversion of landscaping equipment at Stanford Health Care has reduced greenhouse gas emissions by ~14 metric tons of carbon dioxide equivalent!

Benefits of conversion to electric-powered equipment include:

- Reduced reliance on fossil fuels
- Improvement in campus air quality & greenhouse gas emissions
- Contributing to culture of sustainability & electrification of operational equipment at Stanford Health Care
- Reduced noise pollution

Tired of Paying for Parking at the Main Campus? Try a Park & Ride Lot and Shuttle!

The SRI Park & Ride Lot (Menlo Park) and the Santa Clara Park & Ride Lot (near Levi Stadium) provide FREE parking and transportation for staff at the main hospital campus. Enjoy easy, free parking and a direct shuttle ride that connects directly to Lucile Packard Children's Hospital and 500 Pasteur!

For more information, view the flyers here:
