Hospital Transportation Operations Center

Have questions about parking, permits, staff shuttles, or your commuting options? The Hospital Transportation Operations Center is here to help.

Over 3,000 cars parking in hospital lots and garages per day, 1,600 staff members ride staff shuttles every day, and the Hospital Transportation Operations Center is here to assist them all. The fully staffed and knowledgeable team is excited to help you with all your parking and transportation questions, including assistance with coordinating a carpool, biking resources, and more! The phone line is operated **24/7**, so you can reach out any time.

Call or email to get assistance with any and all transportation-related questions for Stanford Health Care and Lucile Packard Children's Hospital.

Stanford Medicine Transportation Services looks forward to hearing from you!
