PRE-TAX PARKING BENEFIT

SAVE MONEY ON COMMUTER PARKING EXPENSES WITH PRE-TAX BENEFITS!

Commuting to work each day can be expensive, and parking costs are often a big part of that. Now, there is a Commuter Benefit program offered by Stanford Health Care and Lucile Packard Children's Hospital that will help you save money on parking!

- ✓ **USE PRE-TAX DOLLARS**
- ✓ **30-40% SAVINGS**

- ✓ **COMMUTER PARKING BENEFIT**

Employees who pay for parking at transit or at work can use pre-tax dollars to pay for the purchase. For example, if you pay for daily parking in the 500 Pasteur – Pasteur Staff Garage (PSG) at \$15/day using the Stanford Medicine Parking app, you can save 30–40% on up to \$325/month in eligible parking expenses by loading your pre-tax dollars on a Commuter Check Prepaid Mastercard to pay for the parking.

WHO'S ELIGIBLE:

This benefit is for Stanford employees with qualified commute expenses, including transit (train, bus, BART, ferry), vanpool, or parking expenses.

STEP 2:

Once you have established an account, you can place monthly orders and use your pre-tax dollars to purchase parking. The recommended method to do this is to have funds loaded onto a reloadable commuter card which you can use to purchase eligible parking expenses. The commuter card will be mailed to you and will be re-loaded each time you place an order. Contact HealthEquity for additional assistance.

HOW TO SIGN UP:

STEP 1: To start using pre-tax dollars to pay for parking, sign up for Commuter Benefits online:
